

STRETCH, **WALK** & TALK GROUP

We walk and stretch to increase energy, strengthen bones and muscles, improve flexibility, reduce fatigue, risk of heart disease and body fat and improve our mental health.

Each session consists of:

- Gentle stretching exercise
- Group walking
- Health conversations

Be active for your health, for fun and to meet other people

No Registration Required.

ALL ARE WELCOME.

PARTICIPATE AT YOUR OWN PACE!

Every Thursday,

July 6, 2017 - September 21, 2017

10:00 am to 11:30 am

Kitchener Downtown Community Health Centre
44 Francis St. South, Kitchener
