Come Learn, Share and Grow With Us!

- Attend our gardening workshops on 2nd Tuesday of each month to build gardening skills and knowledge
- Join our gardening activity days on 4th Tuesday of each month:
 - interact with other gardeners
 - participate in informal gardening discussions
 - help us maintain and harvest our **KDCHC demonstration garden**.
 - attend **Tasting Tuesdays sessions: Jun 27, Jul 25, Aug 22 & Sept 26**
 *We are featuring various vegetables with a cooking demo

Gardening program is an opportunity to meet new people, get some fresh air, garden together, learn new things, and have some fun!

We provide gloves & tools to participate;
 some workshops will have seeds & supplies you can take home.

No Experience Needed! Everyone is Welcome!
